AmericanFundraising.com introduces new 100% Made in the USA Fundraising Programs for 2010.

December 16, 2009

AmericanFundraising.com, America's First Choice for quality fundraising - a company that assists schools, scouting, sports and other non-profit organizations raise money nationwide, has launched a new line of truly "All American" fundraising products. American Fundraising's programs which include; Patriotic Products, Popcorn and Chocolate recently added Cookie Dough, fudge cakes and Candles... all of which are made in the United States of America. From the clothing, books, videos and music offered in fundraising programs to the chocolates, candles and edible delights they have recently added- American Fundraising's president Peter Smith is proud to say " in these difficult economic times in America where businesses are struggling to get by, we are honored to have the only All American Made Fundraising products with Prize Programs that are also made in the USA."

Non-profit groups across the country sell a variety of products to raise money for their good causes. Until now, America's non-profit groups have had to select from a variety of product in programs that come from around the world versus products exclusively "Made in the USA". With the introduction of AmericanFundraising.com's "Made in the USA" Fundraising Programs, non-profit groups now have a better option which supports American Businesses and American Manufacturers when it comes time to decide which product they will sell to raise their badly needed funds.

The success in American Fundraising's programs comes from the diversity to suit a wide range of nonprofit organizations. Boy Scouts and Girl Scouts love our Patriotic products ... "who can turn down a scout trying to encourage someone to put a flag on their house". VFW's, Republican and Democratic Area Committees, Elks Lodges and the like have seen wonderful results. Our programs will once again make you proud to sell American and your customers will be glad that they are buying American.

American Fundraising is very proud of our distinctively delicious product line. Our alliance is with a prominent American food provider whose Cookie Dough is made from scratch, with pasteurized eggs and no artificial preservatives or fillers are added. Our cookie dough can remain frozen for up to 6 months and maintain all of its natural goodness.

"Our middle school raised \$9,000 with American Fundraising's Patriotic Dollar Bar Fundraiser – I was impressed that you were able to deliver us the 21,000 chocolate bars only three days after we ordered them from you. This fundraising program helped our 6th Grade class pay for their spring field trip to Washington, DC. ... We were delighted with the chocolate quality and pleased to know we were supporting American Business as well – We will definitely be calling you again for more FUNdraising activities" **J. Gray, Fayetteville, NC**

Our highly trained professional staff will provide you with unparalleled service before, during and after the sale. Fundraising has never been more fun...we invite you to try our products and join our following of customers who have learned that premium quality service can be affordable.

American Fundraising programs across these United States help tens of thousands of non-profit groups raise millions of dollars each year for worthy causes - these Non-profit groups consist of scouts, school groups, churches, youth sports organizations, bands, parent-teacher associations (PTAs), parent-teacher organizations (PTOs) and hundreds – even thousands of other independent organizations. Our goal is to be a customer service oriented company providing you with profits of 35% - 50%.
